

MySealaska Prizes

Register with MySealaska by December 1st, 2017 to Enter

If you are an existing registered shareholder user or a new shareholder user that is registered by December 1, 2017, you will be automatically entered into a drawing for prizes. We are offering prizes to help bring awareness to the Shareholder portal and to increase use of this “self-help” shareholder tool. We are also interested in increasing the number of shareholders who have a testamentary on file with Sealaska, to address inheritance of shareholder stock. Prize winners will be announced on Thursday, December 7, 2017, at the Holiday Information Fair in Juneau.
